EXAMINER'S COMMENT

It is noted that the Oath/Declaration filed April 26, 2002 indicates that this Application claims benefit of Provisional Application No. 60/244,850, filed November 1, 2000. However, in the petition decision dated August 14, 2002, it was indicated, "Accordingly, the filing date of the application is the date that page 14 of the specification was submitted, April 26, 2002." (See page 1, last paragraph of the petition decision). Therefore, the filing date of the instant application is April 26, 2002.

Therefore, the claimed benefit of priority to the indicated Provisional Application cannot be granted because the filing date of the instant application (as indicated in the petition decision) is more than twelve months after the filing date of the Provisional Application. Accordingly, the instant application does not have benefit of the earlier Provisional Application, and the first line of the specification has NOT been amended to indicate the claimed benefit.

It is also noted that the claimed benefit of the Provisional Application is not necessary to overcome the rejections of record because Applicants' arguments submitted 3/20/2007 are sufficient to overcome the rejections.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to J. Eric Angell whose telephone number is 571-272-0756. The examiner can normally be reached on Monday-Thursday 8:00 a.m.-6:00 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Douglas Schultz can be reached on 571-272-0763. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
